The Vestry and Wardens of Christ Church

Gentlemen The Undersigned being a Committee appointed by the Delaware Fire Company to Collect a sum of Money sufficient for Building a new Engine House, (that is now finish.d) which Stands in Hartung's Court Runing from Second to Third and between Market and Arch Streets. The engine is of the first class and Carries One Hundred and fifty feet of Hose. We have also Six ladders and several Fire Hooks Situated in different Parts of the City, which are kept in good order. The Company Consists of Sixty members, has been an active one, for a number of years, and have always been able to meet our expences till now. Our present difficulty arises from Building the said Engine House. We therefore beg that you will take our case into Consideration, which will ever be Remembered by the Delaware Fire Company. and Yours
